LIGHT BLUE

LIGHT BLUE

Light blue hues create a gentle, poetic world. In this collection, thick textures combine with the warmth and character of this so-called 'cold' colour range.

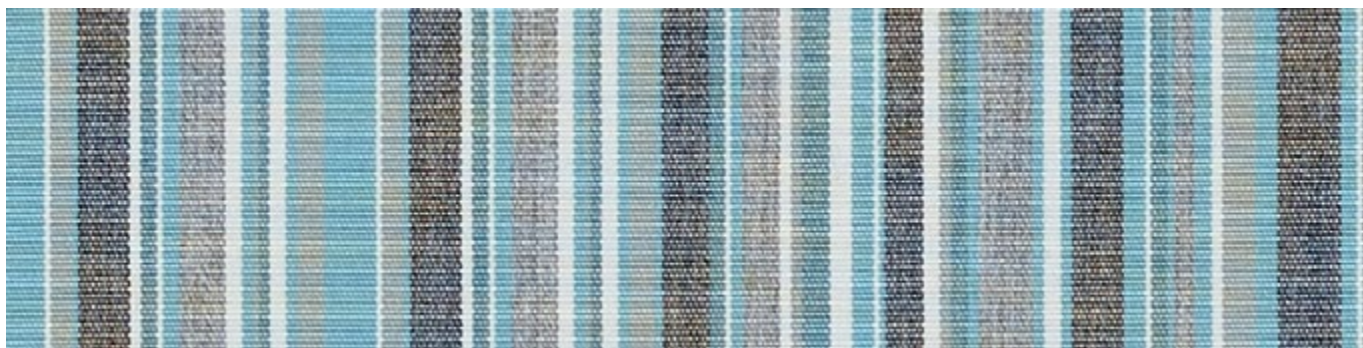

Les nuances de bleu clair créent un univers doux et poétique. Dans cette collection, les textures épaisses ajoutent de la chaleur et du caractère à cette gamme de couleur dite froide.

LIGHT GREY

To choose light grey is to choose the ultimate in subtle refinement. This half-tone colour is the symbol of understated elegance. Mouse grey, pearl grey or silver grey nuances bring to life modern interiors or spaces with an industrial ambiance.

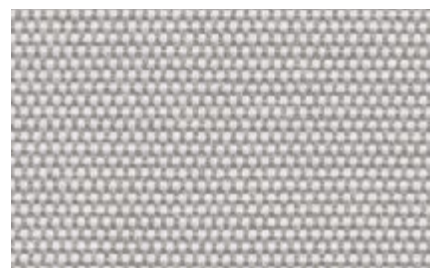

Faire le choix d'un gris clair, c'est faire le choix de la subtilité. Laissez-vous séduire par cette couleur en demi-teinte, symbole de l'élégance et de la sobriété. Gris souris, gris perle ou gris argent, ces nuances vivent aussi bien dans un intérieur moderne que dans une ambiance industrielle.
